Merger of NHS Lewisham's provider services arm with Lewisham Hospital NHS Trust

The Cooperation and Competition Panel (CCP) has decided that the proposed merger between the provider services arm of NHS Lewisham (Lewisham Community Health Services) and Lewisham Hospital NHS Trust meets the CCP's acceptance criteria for a merger reference. That is:

- i. the proposed arrangement falls within the scope of Principles 9 and 10 of the Principles and Rules of Cooperation and Competition;
- ii. the CCP is the most appropriate body to consider this matter;
- iii. the parties have made available the relevant and applicable information on the case to the CCP; and
- iv. the turnover threshold is satisfied as the combined entities will exceed the relevant threshold of £35 million.

As a result, the CCP is accepting this case with its investigation starting from the date of this notice, with Phase 1 to be completed by 14 December 2009 and Phase 2, if required, to be completed by 12 April 2010.
